

Beth El Hebrew Congregation

Madrichim Agreement

(Must be submitted with your application.)

I am applying to serve as a madrich/a for the Beth El Religious School. I understand that serving as a madrich/a is a significant responsibility and that I am expected to act as a role model for other Beth El students. If I am accepted as a madrich/a:

- **I commit to attending an area-wide Madrichim training from approximately 9 am – 2 pm on August 29, 2010, at Temple Rodef Shalom in Falls Church, VA.** I understand that I must request and receive in advance an excused absence from the Madrichim Coordinator or the Director of Education if I cannot attend this scheduled Madrichim training.
- I commit to attending Madrichim Program training meetings which are usually held quarterly on Sundays after Religious School.
- I understand that I must request and receive in advance an excused absence from the Madrichim Coordinator or the Director of Education if I cannot attend scheduled madrichim training.
- I will inform my teacher or supervisor in advance of planned absences so that programs can be modified as necessary.
- I understand that if I have excessive unexcused absences or fail to act as a role model, I may be removed from the Madrichim Program.

I have indicated my assignment preference on my application. The Madrichim Coordinator will try to honor my preference. However, I understand that students who previously participated in the Madrichim Program will be given priority for classroom selections and that program needs may require a different assignment.
